

Dr. George Andrea is a Finance Professor at the Merrick School of Business. His teaching areas include Corporate Finance, International Finance, Financial Accounting, Health Financial Management, and Risk Management and Insurance. His research interests consist of Insurance Securitization, Risk Management and Insurance, Business Compliance and Ethics, and exploring capital market solutions to finance catastrophic losses.

Dr. Andrea is an Executive Committee Member of the International Society for Research in Health Financial Management and the Research Chairman of the Maryland Chapter of the Chartered Property Casualty Underwriter's Society.

Prior to joining SAMA, Dr. Andrea acted as Chief Financial Officer, Insurance Regulatory Compliance Officer, Risk Manager, and Senior Advisor for the insurance industry and Government Agencies.

Dr. Andrea is currently advising and assisting SAMA in the development of its insurance industry, setting up the country's first insurance regulations and regulatory body, WTO accession, development of a training and educational program in the risk management and insurance field, and establishing international co-operation.
